The diagram consists of several horizontal lines. The top line has an arrow pointing right and is labeled 'm' at its end. Below it, another line has an arrow pointing left and is labeled 'm'' at its end. Further down, there are more lines with arrows pointing in various directions, some labeled 'm' and some 'm''. The lines are connected by small vertical segments, suggesting a flow or sequence of events.

The diagram shows a sequence of horizontal lines. The top line has an arrow pointing right and is labeled 'm' at its end. Below it, another line has an arrow pointing left and is labeled 'm'' at its end. Further down, there are more lines with arrows pointing in various directions, some labeled 'm' and some 'm''. The lines are connected by small vertical segments, suggesting a flow or sequence of events. The number '8' is written below the second line, and '175' is written below the third line.
